1. Poles desirous of repatriation have to register at the Repatriation Committee located in Nikolassee but scheduled to move soon to Pankow. If their papers are faulty, they must register at the Polish Military Mission and the Polish Consulate in Charlottenburg, 42 Schluster Str. where they are investigated, in order to ascertain that they are bona fide citizens and/or residents of Poland. Colonel Prawin, Chief of the Polish Military Mission, has full authority over the consulate and the Consul General, Dr. Kasimir Libera.
2. It has been stated that Colonel Bibrowski, Chief of the Polish Revindication Office, will be recalled to Poland as soon as that office moves into its new quarters at Pankow. The unofficial reason for his recall is his use of his position to enrich himself.
